

សាលាជំនាញពិសេសអ៊ីហ្វស្កីលស្កូល EZRA VOGEL SPECIAL SKILLS SCHOOL

June 07, 2010

Dear all members of The School of Miraizu,

On behalf of the students and teachers of the Ezra Vogel Special Skills School and the Rainbow-Kawasaki School in Ratanakiri province of Cambodia, I would like to express deep thanks for your fourth generous donation of USD 370 to the two schools.

We really appreciate your efforts to raise this generous fund. We are going to use this fund to purchase books, computer hardware and other useful school materials.

At the event, 350 cookies baked by some of the volunteers, including Ms. Izumi, and the mini pot-planted basil grew by Harry -- Your efforts are amazing, and very much appreciated.

After watching the PowerPoint presentation of the event, the students are very happy, smiling and laughing to see your photos at the event.

We wish you all good luck, good health

Once again thank you for your good hearted donation and warm support.

Sincerely yours,

The Ezra Vogel Schools Principal
